

Lakshan Siriwardhana

Information Security Engineer

Dear Hiring Manager,

I am writing to express my keen interest in the position of Information Security Engineer at your esteemed organisation. With over 10 years of comprehensive experience in systems, networks, and information security, I bring a deep and well-rounded understanding of cybersecurity protocols, system operations, and network engineering. My expertise has been developed through progressive roles across IT infrastructure, Banking, and Cloud Security Environments. I am eager to contribute to your team's mission of protecting critical systems and supporting your Security Operations Centre in mitigating evolving threats.

In my former role as a Senior Information Security Engineer at IFS R&D International (a UK-based company), I focused on Cloud security, Security Monitoring operations, Threat Intelligence, Vulnerability Management, and Security Assurance Support. Before that, I served as a Network Specialist at HCL Technologies (a multinational company) and as a Data Centre Operator at Commercial Bank of Ceylon PLC (a leading Commercial Bank in Sri Lanka). These roles enabled me to establish a solid foundation in system engineering, networking, and Information Security (Cyber Security, Network Security and Cloud Security).

I hold a Bachelor's degree in Cyber Security from the University of Gloucestershire, UK, where I graduated with First Class Honours. I am currently pursuing a Master's degree majoring in Artificial Intelligence & Data Engineering at the University of Vaasa, Finland. My technical competencies include Networking, Ethical hacking, and cybersecurity, ensuring compliance with industry standards and regulatory requirements.

I am enthusiastic about the opportunity to apply my skills in your reputable company, where I am confident I can contribute to strengthening your security posture, enhancing threat detection, and delivering robust security solutions. I would welcome the opportunity to further discuss how my background aligns with your organisation's needs.

Thank you for considering my application.
